

Swim Teacher & Skill Development Course for 2019

Course Director

Ang Peng Siong

University of Houston graduate; World Masters Champion (2000); Fastest swimmer in the world in 1982; two-time Olympian (84 & 88); NCAA Division One champion (1983); three-time US Open champion; Asian Games Gold Medallist (1982); Multiple SEA Games gold medallist and three-time Sportsman of the Year recipient (82, 83 & 84). His dream is to build a vibrant aquatic industry and fuel the pursuit of Olympic success in the sport of swimming.

Ang has recently broken Japan Sprint Masters 25m Butterfly record as the age of 54!

A Career in Aquatics

Earn As You Learn by APS Swim School

Do you enjoy being around kids?

Do you enjoy being in the pool? Looking for a part-time job?

But...afraid you don't have the skills to teach?

At APS Swim School ALL you need is the ability to swim any one stroke and we will do the rest!

APS Swim School will enable you **EARN as you LEARN** to become a Swim Teacher through our Skill Development Course. An experienced trainer will train and guide you to achieve Swim Teacher Certification. Upon completion, APS Swim School will place you to teach in our Learn-To-Swim program to teach novice swimmers, starting your career with us.

SO, if you think you have just a tinkle of passion, then come join us to nurture the next generation of swimmers for Singapore.

Nurturing... the gentle nudging of Learn-To-Swim Teacher with student

OUR PHILOSOPHY

"We are not here to create champions but an environment where champions are inevitable"

- Forbes Carlile

It takes a village to raise a child. The APS village of Learn-To-Swim swim teachers, swim coaches and administrators create a conducive environment for our swimmers.
